

Xreme Trim™ Lapstart® Lap Starter Strip

US Patent #5,916,095, US Trademark #2,487,914

DESIGN FEATURES: Starter/bottom course for HardiePlank® lap siding. Xreme Trim™ Lapstart® Lap Starter Strip provides ease-of-installation, consistent appearance and durability. Ideally suited for commercial and government projects requiring non-toxic, non-corrosive, fire-resistant products. Provides needed support in case lap siding gets hit and correct angle.

MATERIAL: Custom die-extruded from heavy duty, 6063 T-5 extruded aluminum alloy with proprietary coating that protects against harsh weather conditions and allows for paint adhesion.

ITEM ID	"A"	"B"	LENGTH
