

# Panelstart® Panel Starter Strip

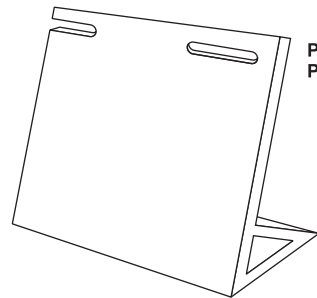

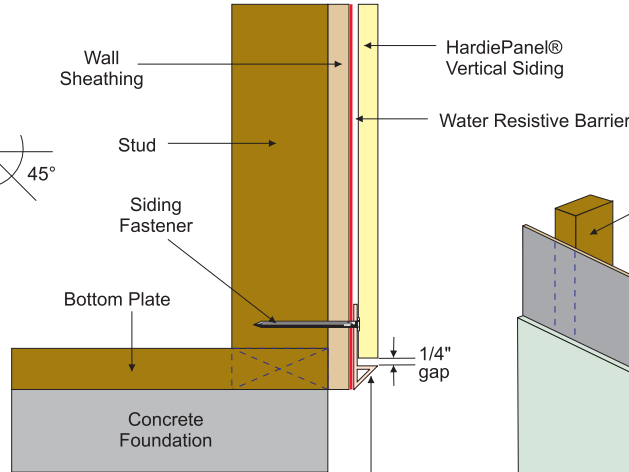

US Patent #5,916,095, US Trademark #2,510,799

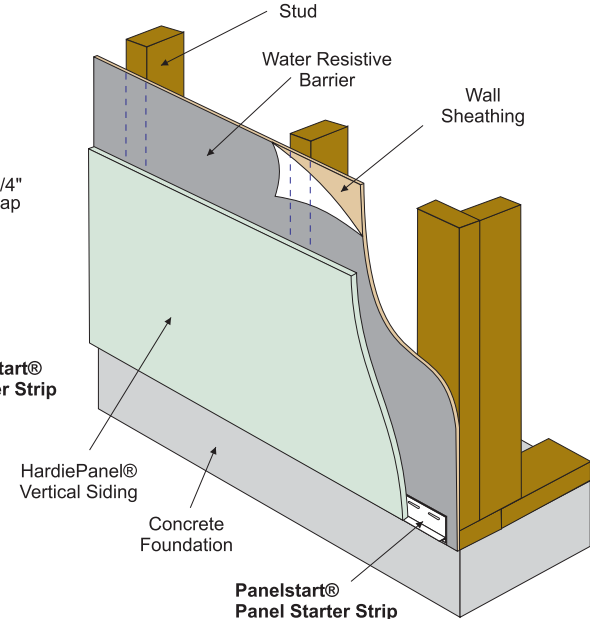

**DESIGN FEATURES:** Designed to minimize back splash. We recommend hand nailing as mechanical nail guns will split the PVC.

**MATERIAL:** Extruded rigid PVC, industry-standard, durable, chemically resistant product designed for outdoor weatherability.

**WARNING:** Use light or pastel paint colors only on Tamlyn PVC or Sherwin-Williams Vinyl Safe™ Paint. Use of dark color paint will cause deformation. Tamlyn vinyl products are not warranted if painted with dark color paint.

PVC Panelstart® Panel Starter Strip
