

Horizontal Bow Arch Z

DESIGN FEATURES

Unique design gives a dramatic curved horizontal accent that is uniquely modern, but recalls traditional wood profiles.

MATERIAL

6063-T5 .045" ± .005 extruded aluminum alloy with proprietary coating that protects against harsh weather conditions and allows for paint adhesion.

FINISH

Unless specified all XtremeTrim® items are provided in primed finish. Also available in popular siding/soffit colors in standard face only color match or full coverage CoastalColorCoating™. Clear Anodized is stocked and custom anodized is available (minimums apply).

NOTE

Do not install XtremeTrim® Horizontal Z on horizontal applications where the exterior flange can catch water.

Illustration not to scale
